

Beginner French course: February

ILCF offers an [intensive French course program](#) over three weeks, designed to develop both oral and written expression and comprehension skills. Open to all levels, these courses take place in February in a learning environment that encourages active student participation and cultural openness.

ILCF - INSTITUTE OF FRENCH LANGUAGE AND CULTURE - LYON

A ONE MONTH FRENCH PROGRAM ADAPTED TO YOUR LEVEL

PRESENTATION

Description

Courses are oriented towards the development of oral and written expression and comprehension skills. Achievement of autonomy in the use of French requires the acquisition of grammar, vocabulary and specific aspects of French culture. A variety of linguistic activities are offered to students and involve the use of specific methods, exercise books and real-life documents: press, adverts, cartoons, written texts, videos... The courses require students to participate on an active basis.

Public

This programme is aimed at all international students including adults, technicians and researchers... regardless of their level of French, who wish to:

- acquire and improve their skills in spoken and written French
- and/or prepare for [DELFL](#) and [DALFL](#).

The ILCF teaches students in groups (of 18 to 24 students) according to their level: **A1** Breakthrough > **A2** Waystage > **B1** Threshold > **B2** Vantage

Cultural Activities

At ILCF Lyon, learning French continues far beyond the classroom. Our cultural activities department supports students throughout their stay with a tailor-made program of activities adapted to the duration and type of course attended.

Language exchange meetings with French students, activities on campus, cultural visits, trips,

workshops and tasting sessions: a wide range of activities is organised every month to encourage the discovery of French culture, social interaction and the practice of French in authentic and friendly situations.

These activities are an integral part of the ILCF experience and allow students to discover Lyon and its region while developing their language skills in a real-life environment.
