4th September – 22nd December

ARRIVAL INFORMATION

The Law Faculty is located at the ***St Paul campus*** *which is right next to the Perrache train station on 10 Place des Archives. Leave the train station going to Cours Charlemagne (not Place Carnot which will put you on the other side of the station). The school is directly on the left side of the square when your back is to the station.*

By train: There are two train stations in Lyon: the Gare de Perrache and the Gare de la Part-Dieu. Perrache station is right next to the school, but the Part-Dieu station is not far away. If you are traveling by train and have a choice, opt for the Perrache station.

By plane: From the airport, there is a shuttle to the Part-Dieu station. It takes about 30 minutes and costs approximately €13 for a one way trip for students under 25 years old, €15 for others. Tickets can be purchased online or at the airport.
The website is www.rhonexpress.fr.
If you are travelling with lots of luggage, consider taking a taxi. The cost is approximately €60 with a slight fee for each bag.

ACCOMMODATION INFORMATION

Accommodation is very easy in Lyon. Please do not hesitate to contact the University's accommodation service at: sl@univ-catholyon.fr The University's accommodation office will provide you with information about housing facilities and allow you to reserve a room or a flat.
If you decide to find a place on your own, here are some helpful websites where you can search for people who are looking for a roommate or are subletting their apartments.
Some of the sites are free, others you need to register with, and still others are free but you need to register. Remember that people who want to rent their places will want to list their apartments everywhere, not just on paying sites, so it means that you do not necessarily have a better choice if

you pay for the service. Even with limited French, you should be able to navigate these sites rather easily. (If you are looking to share an apartment with someone, check under 'colocation' on the French sites.) Most of the sites will let you post a request of search for a place to live or a roommate. Here are a few sites to get you started:

- www.easyroomate.com
- www.recherche-colocation.com
- www.lokaviz.fr
- www.kel-koloc.com/homepage.php
