To book accommodation, some landlords or residences require a French guarantor. VISALE acts as a guarantee for French and foreign students who do not have French guarantors. You can apply for VISALE on

www.visale.fr

You will receive proof of VISALE in 48 hours if you are eligible. So, you will be able to submit it to lessors [VISALE is free of charge]. Please bear in mind that all lessors do not accept VISALE.

You will be moving into a student residence or living in a private rented accommodation: you may be eligible for CAF if you meet the CAF requirements.
